**Re: Cause No. 01-18-00930-CR, Kyle Dean Kuykendall v. State of Texas,**  
**First Court of Appeals, Houston, Texas**

Dear Mr. Kuykendall:

Enclosed is a copy of the Appellant's Brief that has been filed in the above-referenced appeal. Because the record did not reveal any reversible error, I was compelled to file what is known as an "Anders" brief. I am ethically bound to do so if I do not feel there are meritorious issues to raise on appeal.

I explain in the body of the Anders Brief the reasons why I determined there to be no meritorious issues. I am also required to file a Motion to Withdraw as Counsel along with the Anders Brief. I have also enclosed a copy of the Motion to Withdraw as Counsel that has been filed with the Court of Appeals.

You have a right to file a *pro se* response to the Anders brief and you are entitled to access and review the complete appellate record for this purpose. Should you desire to access the appellate record to file a *pro se* response, you will need to sign and date the enclosed Motion for *Pro Se* Access to the Appellate Record and mail it to the Court of Appeals within ten (10) days of the date of this letter. The mailing address for the First Court of Appeals is 301 Fannin Street, Houston, Texas 77002-2066. I have enclosed an envelope with pre-paid postage for your convenience.

You also have the right to file a *pro se* petition for discretionary review with the Texas Court of Criminal Appeals should the Court of Appeals declare your appeal to be frivolous.

Sincerely,

M. Patrick Maguire, P.C.
